

DATASHEET

ICX POWER ASCENDER

GENERAL

Art.Nr:	POA-030-0
GTIN:	4030281310426
Customs tariff number:	84253100

Net weight:	9.90 kg
Gross weight:	9.90 kg

DATASHEET

ICX POWER ASCENDER

The ultralight, compact entry-level ActSafe ICX power ascender has been developed for a safe and efficient transport of persons in hard-to-reach areas. Paired with a rope, the ActSafe ICX forms an incredibly flexible system for the straightforward and cost-efficient cleaning and maintenance of complex structures. Its intuitive operation is effortlessly managed with a thumb wheel, enabling precise work. Thanks to its IP55 rating, the ActSafe ICX can be used in all weather conditions. Rope loading is straightforward, streamlining your workflow and saving valuable time. Additionally, the control of the ActSafe ICX can be taken over by a second person on the ground using a remote control. This allows for the automatic ascent or descent of the individual operating the device, in case they are unable to do so themselves. Operating and utilizing the ActSafe ICX is quickly and easily learned through user training.

- Ultralight, compact personal power ascender
- Fast and secure rope loading
- Easy control with an intuitively operated thumb wheel or remote control
 - WLL 185kg or max. 1 person
 - Battery and Charger not included

FEATURES

Battery range at 20° C & 100 kg load:	230 m
Application areas:	Various
Energy source:	Removeable Battery
Colour:	Various
Underwater operations:	No
Water dust resistance:	IP 55
Charging time:	80 minutes
Maximum descent speed:	24 m/min
Max. ascent rate:	24 m/min
Maximum compatible rope diameter:	11.00 mm
Maximum temperature:	40 °C
Minimum descent speed:	1 m/min
Min. ascent rate:	1 m/min
Minimum compatible rope diameter:	11.00 mm
Minimum temperature:	-10 °C
Emergency descent function:	Yes
Emergency stop function:	Yes
Remote control range:	50 m

DIMENSIONS

Working load limit:	185.00 kg
