

GRIPPS®

H02021 WATERBOY XL WITH SWIVEL CATCH

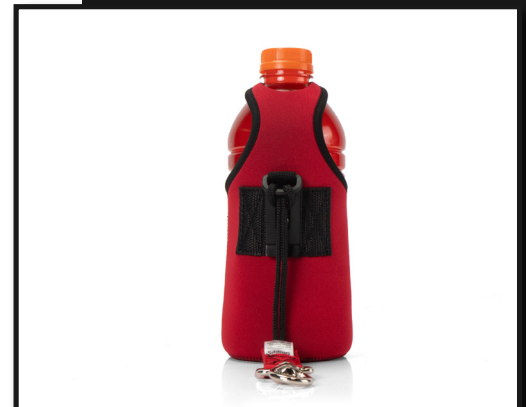

The GRIPPS® Waterboy XL with Swivel Catch is an insulated holster designed specifically for workers at height and boasts a robust load capacity of 2kg/4.4lbs, comfortably accommodates a one-litre (0.26 gallon) drink bottle.

Made from durable neoprene rubber, the GRIPPS® Waterboy XL ensures optimal cooling insulation for your beverage. Its convenient slide-on belt clip enhances accessibility, while the integrated GRIPPS® Swivel Catch facilitates enhanced range of motion when securing the holster, minimising entanglements during elevated tasks.

HOW TO USE

1

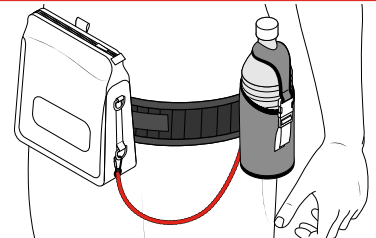

Place water bottle inside of holster, then pull over cover and close the front buckle. Tighten front strap.

2

Connect swivel catch to the D-ring on the back of Waterboy/Waterboy XL.

3

Ensure opposite end of swivel catch is anchored appropriately.

Slide Waterboy/Waterboy XL onto your belt via clip.
